Payment Method

Direct Debit Authorisation

By completing the online sign-up process, you authorise payment via direct debit. The card details provided at sign-up will be used for ongoing monthly direct debit payment. For bank account direct debit, please contact us to update your bank account details.

AMEX Payment

AMEX payment will incur 1% surcharge per transaction.

A dishonor fee of \$9.90 will be applied to each declined payment.

Service Availability

NBN services do not apply to all areas. We will need to perform service qualification checks to the nominated site address for broadband service availability. The type of service offered on the NBN network are FTTP, FTTN, FTTB, FTTC, HFC or FW, and so we may need to perform further qualification checks to determine the type of network for your nominated location. If we are unable to offer you services, we will contact you for further discussion, or if we failed to contact you in reasonable attempts, your order will be cancelled.

Free FTTP Upgrade Eligibility

Selected FTTN and FTTC addresses may be eligible for a free upgrade to FTTP, subject to a 12-month NBN contract. Check your address for eligibility and contact us for upgrade request.

Hardware Devices

You must have a NBN compatible modem/router to access the internet service for BYO router. However, we can only provide limited support to BYO router.

VOIP service is not available for BYO router. You may need to purchase a VOIP Phone Adapter, \$99 inc.GST, with CityCable to access to VOIP service.

Installation and Setup

Standard installation is included. Non-standard installation may incur additional costs. You must be someone over 18 years of age to sign up with CityCable NBN Broadband and in attendance at the appointment.

On-site Appointment

Technician of CityCable or the subsidiary company may or may not need to onsite for service activation.

Any subsequent onsite installations necessitated by issues on your end may result in additional charges.

If you request onsite service during the service term and the connectivity issue is found to be attributable to your actions, a fee of \$165.00 inc.GST per hour will be incurred.

A missed appointment fee of \$165.00 inc.GST will be applied if the service activation or service fault rectification does not proceed at scheduled appointment time, due to act of End-user.
